

Final Landscape Plan

Major Crescent Reserve, Lysterfield

- 1 • Improve the current drainage condition
- 2 • Remove the low shrubs and grasses and replace with lawn and feature trees.
- 3 • Prune the existing garden bed and install additional trees.
- 4 • Additional seats and picnic table across the reserve.
- 5 • New basketball shooting key area
- 6 • Upgrade and relocate the playspace with new pieces of play equipment.
- 7 • New picnic shelter with bbq facilities.
• New drinking fountain.
- 8 • Potential upgrade to the northern section of the path connection from Malata Way to Major Crescent to 3m wide as a shared path.
• Potential new bike repair station and bike racks.
