

### Council is seeking your feedback on:

Set in a site of biological and cultural significance, Council looks to install a new nature based playground at Starlight Reserve in 2021. A total of 56 responses were received from the first community engagement held in December 2020, local residents commented on how they enjoy walking around the reserve and particularly like the interpretive trail which give details on the history of the reserve.

Based on the comments received, Council proposes to include a new swing set, seesaw, seating, an explorative nature play cubby house and bush kitchen.

### Draft Concept Plan

### What do you think of the proposed concept plan?
