

Knox City Council is committed to supporting an active and healthy community

As part of Council's annual playspace renewal program, the local play space at Grange Drive in Lysterfield is due for an upgrade.

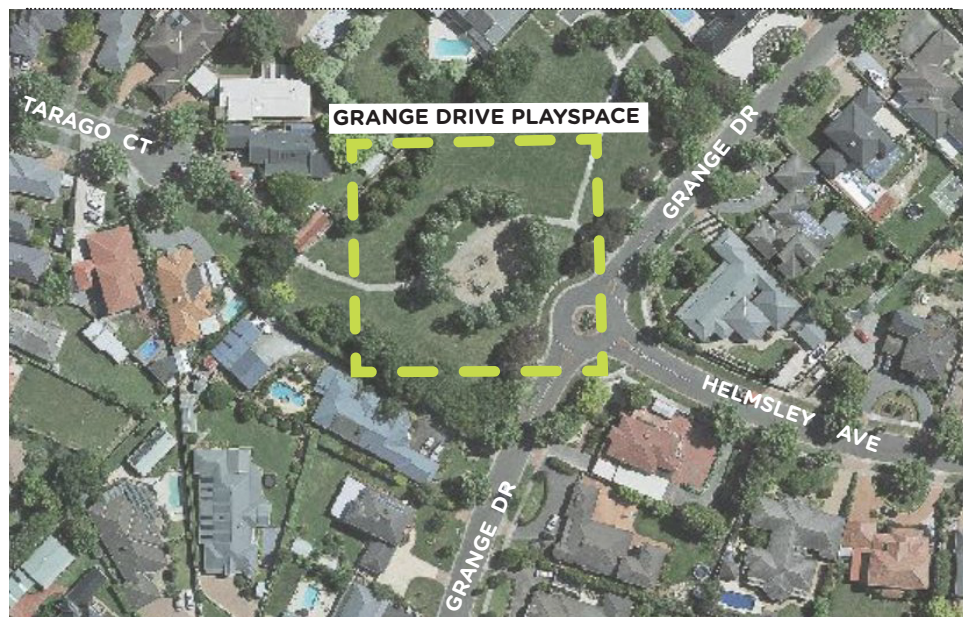

As a first step, we'd like to get your ideas on what could be included in the play space.

These ideas will be used to develop a draft design, which we will then seek community feedback on.

Please return this flyer with your comments using the enclosed prepaid envelope by **Thursday 23rd Sept 2021** or respond online knox.vic.gov.au/haveyoursay.

Tender and Construction

Site Location

Council is seeking your feedback on:

How often do you and your family use this play space?

What do you like about the existing play space?

What would you like to see in the new play space design?

Any further comments?

What would you like to see in this play space?

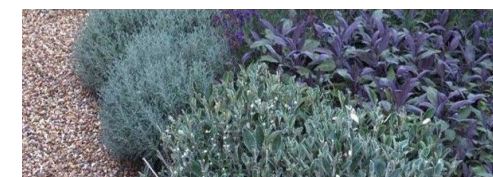

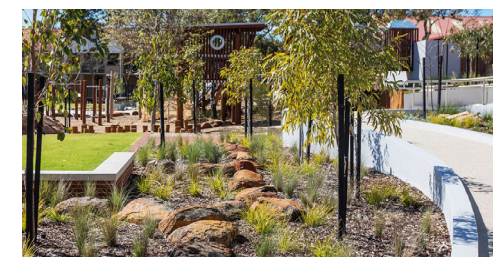

Please number the following options in the order of importance to you, 1 being most important:

☐ A combination play unit

☐ Several small pieces of play equipment and nature play

☐ Feature trees and planting

☐ Picnic table and seats
