

Knox City Council is committed to supporting an active and healthy community

We are upgrading the play space at Grange Drive in early 2022 as part of our annual playspace renewal program.

In September 2021, we consulted with the local community about what they want to see included in the playground upgrade.

Based on the 69 responses received, we have developed the draft design of the new playground including the following upgraded play equipment:

- Combination play unit with double slides
- Monkey bar and track ride play unit
- Refurbished double swing
- A new nest swing
- New picnic tables and seat
- A new concrete path
- New landscape elements and garden beds

What do you think of the proposed concept plan?

We are seeking your feedback on:

Timeline

- ✓ **September - December 2021**
First Community Consultation and Concept Design
- ★ **January - February 2022**
Second Community Consultation
- ★ **March 2022**
Final Design and Construction Documentation
- ★ **April - July 2022**
Tender and Construction
