

Erica Avenue Streetscape Renewal

Consultation Summary

What you said	What we did
 <p>Retain more of the existing on-street parking</p>	 <p>More on-street parking will be retained to better support our local businesses and to accomodate customers</p>
 <p>Mixed support for the proposed bi-directional cycling lane</p>	 <p>A wider, safer shared pathway will now be provided for both cyclists and pedestrians, which will link to nearby trails in the future for better connectivity through Boronia</p>
 <p>Improve the pedestrian environment</p>	 <p></p>
 <p>Include shade trees and planting to create a cooler 'green and leafy' environment</p>	 <p>Trees and ground covers will be planted to cool and 'green' the space</p>
 <p>Create areas for outdoor dining or shopping experiences</p>	 <p>Outdoor dining zones will be located outside cafe's and restaurants</p>
 <p>No outdoor piano!</p>	 <p>Bespoke luminous lanterns will be installed to create artistic interest and ambience</p>
